Passionate Computer Science student with hands-on experience in full-stack web development. Eager to leverage programming skills and problem-solving abilities to create efficient, scalable solutions to real-world challenges

Education

- **B.Tech in Computer Science and Engineering**
Siliguri Institute of Technology
CGPA: 7.20
2022 – Present
- **Higher Secondary (CBSE)**
Holy Mission High School (2021)
Percentage: 68.06%
- **Secondary School (CBSE)**
Kendriya Vidyalaya Samastipur (2019)
Percentage: 81.04%

Soft Skills

- Analytical thinking & problem-solving
- Project Management
- Teamwork
- Strong communication skills
- Adaptable and collaborative

Interests

- Exploring new technologies and innovations
- Building scalable software solutions
- Collaborating on open-source and tech-driven projects
- Continuously improving programming and development skills

Technical Skills

- **Languages:** C, Java
- **Web Development:** HTML, CSS, JavaScript, React.js.
- **Databases:** MongoDB, MySQL
- **Tools & Platforms:** GitHub, VS Code.
- **Software:** MS Excel, MS Word, MS PowerPoint

Projects

- ### Expense-tracker Website
- Developed a full-fledged Expense Tracker using React.js, with React Router for state management and navigation
 - Designed a responsive UI with Tailwind CSS displaying real-time expense analytics with optimized performance.

Weather Website

- Developed a dynamic weather website using HTML, CSS, and JavaScript.
- Integrated real-time weather data using an API. Displayed temperature, humidity, wind speed, and weather conditions for searched locations.

Amazon, Zomato Clones & Hospital Website

- Designed and developed responsive front-end clones of popular platforms using HTML, CSS, and JavaScript.

Library Management System

- Developed a Java-based system emphasizing object-oriented programming principles.

Certifications

- Completed training in Web Development (MERN Stack)
- Core Java with OOPs Training – Developed a strong foundation in Java programming with in-depth knowledge of Object-Oriented principles.
- Personality Development Training – Improved communication and professional skill.
